

## 14/6 Stackable Containers

One of Schaefer's first stackable plastic container families. The 14/6 family is a good general purpose product line which can be used in both industrial and food processing applications. Insert boxes allow internal organization of containers and are perfect for kitting parts.

### 14/6 Advantages

- Eleven sizes, six footprints
- Heights from 2.9" to 11.9"
- Available in yellow, red, blue and green
- Made of HDPE and conductive PP
- Containers interstack
- 14/6 containers can be stacked with LF containers
- Easy to clean
- Strong
